

NOVEMBER HIGHLIGHT

Chudar partners with TN Govt. for State Level STEM Program - Launch by CM

Vanavil Mandram - State Level STEM Program

Chudar was part of Vanavil Mandram, a unique initiative launched by Tamil Nadu Chief Minister MK Stalin to foster interest in STEM among students. The program caters to students from class 6 to 8 in Government schools in the state. The launch event was widely covered in the press.

It is a massive undertaking that will reach **25 lakh students** in 13,200 schools. Chudar resource persons have been selected to assist the teachers. They will demonstrate various **science and maths experiments** to engage the students and **improve their understanding**.

Dr. Ravishankar, our founder, is a part of the **Expert Group** of the STEM program. Chudar has been involved with the program from the start. We are very excited to be a part of it and hope to reach more students and **inspire them to pursue STEM**.

Chudar is honoured to announce that we played a vital role in the **State level STEM program - Vanavil Mandram**. Our resource person, Mrs. Mangayarkarasi, performed a science experiment in front of the Chief Minister during the launch of the program.
