

# CHUDAR NEWSLETTER

Chudar is thrilled to announce that we've started our classes for the new academic year and our content has been launched in the new TN Government app, "MANARKENI".

## CHUDAR QUEST 2023-24 UNDERWAY

Our much-awaited classes for QUEST (after-school center program) have begun at both rural and urban centers for the academic year 2023-24. Our passionate team warmly welcomed the students, introducing them to our engaging class structure and stressing the significance of regular attendance. The atmosphere in the classrooms was charged with positive energy as the students eagerly embrace the new classes and embark on a journey of knowledge and personal growth. We look forward to a successful and enriching academic year ahead.

app on Tuesday

nations, illustrative examples  
and engaging graphics to facili-  
tate easy comprehension of com-  
plex subjects. It also includes as-  
sessment questions for each au-  
dio clip, allowing learners to  
gauge their understanding.

Additionally, previous ac-  
ademic syllabuses are accessible  
for revision, enabling students to  
solidify their knowledge before  
advancing it to the next level.

Manarkeni incorporates a  
tech-savvy language to create an  
interactive and enjoyable learn-  
ing experience for students. It's

freely available to democratize  
education and eliminate barriers  
by facilitating learning with an  
internet connection.

Teachers and students  
welcomed the user-friendly  
which promptly addresses  
and clarifies concepts  
the learning process  
and enjoyable. As of  
is available for down-  
Play Store, and  
continuous updates

## OUR CONTENT IN OFFICIAL TN-GOVT APP

Over the past 2 years, we have collaborated with the TN Government on the Samagra Shiksha (Education for All) Project to produce digital content to make learning engaging for children. Recently the Education Minister launched the official app (titled MANARKENI - meaning the deeper you dig the sand, the water flows) through which these videos will be accessible by all govt schools. We are thrilled that through this app, our content will reach more than 10000 teachers and 15 lakh children in government schools across Tamilnadu!

## INTERN TESTIMONIAL

"Interning with Chudar opened my eyes to the reality of children deprived of quality education. Chudar's efforts to bridge this gap and create equal opportunities for all students inspired me. The collaborative work atmosphere made me feel like a part of the team, and I'm grateful to have made a difference. Thank you, Chudar."  
Swarna Harith, Flame University

## SHRINAATH CHIDAMBARAM FROM AID VISITS CHUDAR QUEST CENTERS

We were delighted to host Mr. Shrinaath, senior volunteer and member of the BoD, AID, at our QUEST centers in Periyavenmani and Chengattur in Chengalpattu district. During the visit, our students impressed him with their English speaking skills. With support from volunteers like him, we are working to empower these young minds and lead them into a promising future

To support and make a difference in the lives of more children, please donate [here!](#)
